Department of Education

LAST MINUTE MEMORANDUM

DATE: June 29, 2004

TO: MEMBERS, STATE BOARD OF EDUCATION

FROM: Geno Flores, Deputy Superintendent
Assessment and Accountability Branch

RE: Item No. 12

SUBJECT: California High School Exit Exam (CAHSEE): Approve Commencement of the Rulemaking Process for Amendments to Title 5 California Code of Regulations

The proposed amendments to the CAHSEE regulations were submitted for the June Information Memo and a revised version of the regulations were submitted as a July State Board of Education (SBE) item. The regulations were revised since the June Information Memorandum in order to make them more consistent with STAR Regulations that have been undergoing changes simultaneously and to specify data elements needed to comply with federal accountability requirements under Title 1 of the Elementary and Secondary Education Act (No Child Left Behind).

The following Last Minute Memorandum provides the Economic and Fiscal Impact Statement and a summary of the Economic and Fiscal Impact Analysis. The Economic Impact Statement concludes that while there are some costs related to the amendments most of the costs are attributable to either state or federal statutes. Some of the regulations generate a cost savings. Costs not attributable to statute are reimbursable by the apportionment.
